1. [REDACTED] Personnel, called to say that he had been in touch with [REDACTED] who said she was forwarding to him copies of a NEW BRITAIN HERALD editorial containing a suggestion that this country ship to Communist China surplus foods with the hope that this might somehow bring about the release of John Downey, [REDACTED] [REDACTED] and other prisoners held in China. [REDACTED] told [REDACTED] that she is sending a copy of this editorial to Under Secretary of State Chester Bowles as well as congressmen and senators from the state of Connecticut.

2. [REDACTED] OSI, called to say that George Murphy, Joint Committee on Atomic Energy staff, had called Dr. Scoville and requested another briefing on the nuclear energy situation [REDACTED] Dr. Scoville advised him that while we would be pleased to provide a briefing to those who were not in attendance at the previous briefing, we had little additional information on this subject that could justify briefing the same group again. I discussed with [REDACTED] George Murphy's request for a bibliography of estimates on nuclear energy. [REDACTED] suggested that we give the staff a list of scientific intelligence reports but that we not provide a bibliography of NIE's.
